

TRANSTEK

Stock Code:300562.SZ

Health Tracker

24/7 Multi-Metric Tracking
for Health Management & Sports

Clarity Into Your Wellness

24/7 physiological tracking transforms vital signs into personalized insights

 Heart Rate	 HRV	 RHR	 Stress Level
 SpO2	 VO₂ Max Estimation	 Auto Sport Recognition	 Daily Step
 Sleep Quality	 Respiratory Rate	 Skin Temperature	 Calorie Expenditure

Advanced Heart Rate Monitoring Technology

20 Years of Expertise

Powered by MIO's proven PPG technology

Motion-Interference Reduction

4-channel PD optical sensor for reliable performance

High-Intensity Stability

Consistent heart rate tracking during intense exercise

Innovative Mini LED Display

Low-distraction display reduces eye strain during daytime activity

Adaptive brightness adjusts to ambient light, minimizing nighttime disruption

Real-Time Heart Rate Zone Feedback

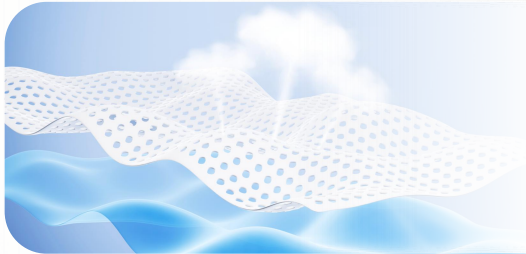

Helps users better manage training intensity and optimize workout efficiency

Comfortable & Stylish Design

Ultra-lightweight
23g design for barely
felt on the wrist

Breathable nylon
strap for everyday
comfort

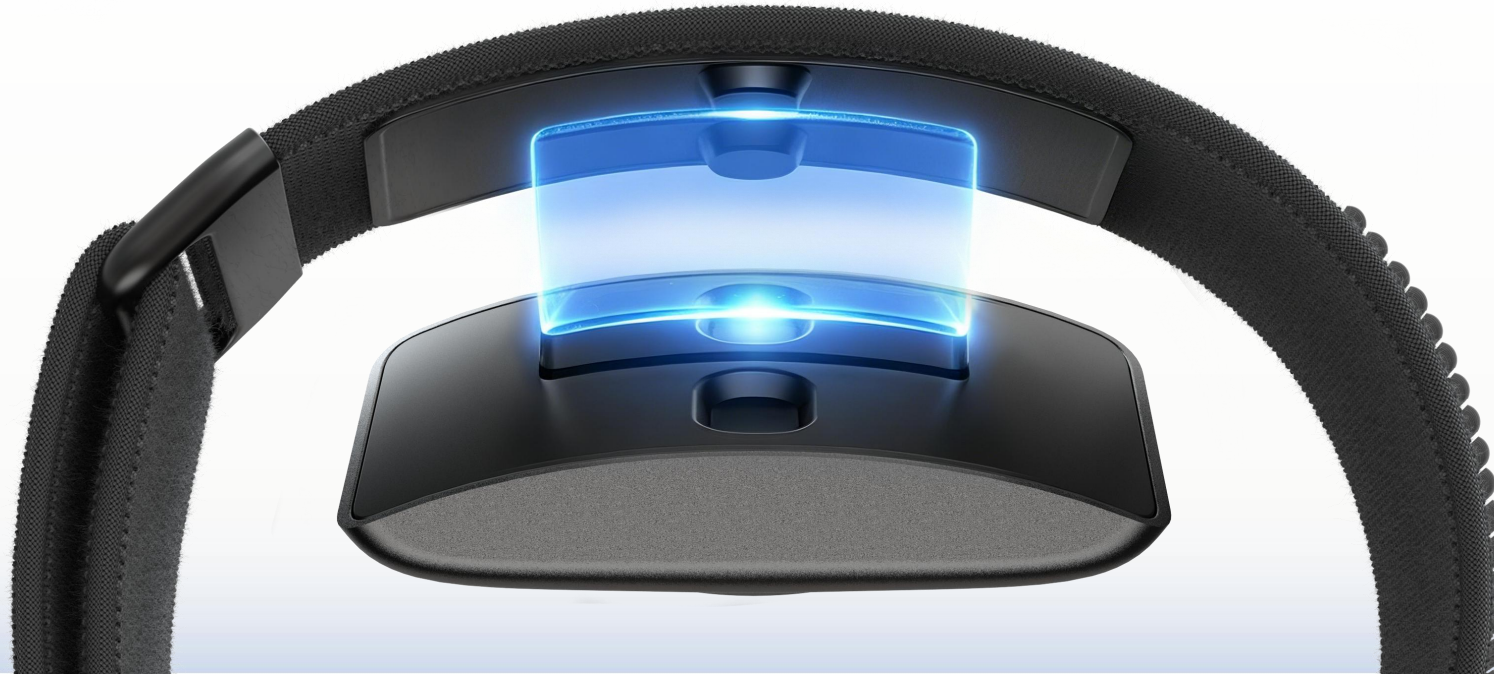

Customizable
vibrant straps for
all your styles

Magnetic Connection

Design Patent: International Registration No. DM/256924
PCT Invention Patent Application No. PCT/CN2026/093227

Precise magnetic
alignment for a secure
and stable fit

Tool-free strap
replacement

Easy to attach and
detach for greater daily
convenience

Seamless Data Connectivity

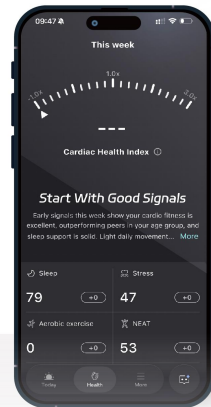

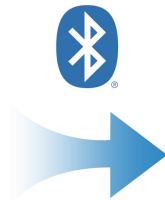

Bluetooth 5.0 sync
with up to 7 days of
onboard storage

Ensures health data
remains uninterrupted,
intact, and traceable

Supports seamless
integration with third-party
apps and health platforms

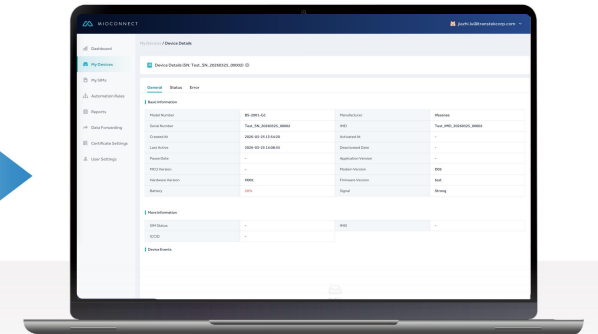

MIO Health Tracker

Mobile App

Cloud Server

Management Platform

Health Insights and AI Services

AI-Powered Insights

Optional AI-powered wellness insights support activity summaries, trend tracking, and personalized wellness suggestions

Scalable Capabilities

Modular AI architecture designed to support future feature expansion and customized deployments

AI analysis results are for general health reference only and must not be used for disease diagnosis or treatment.

Specifications

Product Name	MIO Health Tracker
Weight	23 g (including elastic woven nylon band)
Materials	Sensor Module: Skin-friendly plastic housing Band: Elastic woven nylon band
Water Resistance	5 ATM
Display	Mini LED status indicator; view readings via the mobile app
Charging	Magnetic dock, USB Type-C
Battery	200 mAh lithium-polymer battery
Battery Life	Up to 7 days (typical use)
Vibration	Linear vibration motor
Sensors	PPG optical heart rate and SpO2 sensor Accelerometer Gyroscope Skin temperature sensor Wear detection sensor
Activity Detection	Auto-detect walk & run
Indicator Brightness	Auto adjust by ambient light
App Compatibility	Transtek App and Transtek Mini Program
Heart Rate Broadcast	Real-time heart rate sync to apps
Reading Storage	Stores up to 7 days of health and activity readings
